**Further information required for preliminary documentation for 38-Lot Subdivision,
Ecclestone Road, Riverside, Tasmania (EPBC 2022/09282)**

Dear Mr Sherriff

I am writing to you about your proposal to subdivide and develop a 37 hectare lot along Eccleston Rd, Riverside Tasmania.

On 29 June 2023, a delegate of the Minister for the Environment and Water decided that the proposed action is a controlled action and that it will be assessed by preliminary documentation. Further information was required to assess the relevant impacts of the proposed action.

I now request, under s95A(2) of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act), further information as outlined in the attached.

Details on the assessment process for the project and the responsibilities of the proponent are set out in the [EPBC Act — Environment Assessment process](#) fact sheet. Further information on the [referral and assessment process](#) can be found on the department's website.

If you have any questions about the assessment process or the further information required, please contact me by email to simon.barber@dcceew.gov.au and quote the EPBC reference number shown at the beginning of this letter.

Yours sincerely
